

## CNC Tooling

### CAT TAPER TENSION/COMPRESSION TAP HOLDERS

- Quick-change - push back on the holder sleeve and the adapter with tool is removable
- Press on the end of the adapter nose and the tool is removable - all in a few seconds.
- Smooth stroke - even under full torque load, the tension-compression stroke is full and free.
- Interchangability - our adapters and holders are interchangeable with Universal-Bilz quick change holders and adapters
