

THE MACHINERY'S HANDBOOK 27TH EDITION

Celebrating its 90th year, the newest edition of “The Bible of the Metalworking Industries,” combines volumes of knowledge, information, and data, gathered, revised, and improved upon by industry experts. Extraordinarily comprehensive yet easy to use, Machinery's Handbook provides mechanical and manufacturing engineers, designers, draftsmen, machine toolmakers, machinists and students with a broad range of basic and advanced material. The Machinery's Handbook includes industry fundamentals and standards, as well as new material reflecting technological advances and editorial improvements, making the 27th Edition the best tool...ever! Also available in large print version 7" x 10".

Also Available:

MACHINERY'S HANDBOOK 27TH EDITION CD-ROM

Combines the complete contents of the 27th edition of Machinery's Handbook with the power, versatility, and convenience of Adobe® Portable Document Format (PDF).
