

## SEXT-R8

**Features**  
Geometry designed for medium to roughing applications

| Designation      | Coated Carbide |                    |       |       |       |       |                    | Cermet             | Ceramic | Uncoated Carbide |       | (inch) |       |        |       | Applicable Cutter |         |      |
|------------------|----------------|--------------------|-------|-------|-------|-------|--------------------|--------------------|---------|------------------|-------|--------|-------|--------|-------|-------------------|---------|------|

| SNEX1206ANN-A |                |       |       |       |       |       |       |       |        |                  |       | 148969<br>\$ 27.17 | 1/2 | 1/4 | 0.093 | 0.177             | Face Mill<br>DS8 | E136     |

## SNEX-F2/M

SNEX-F2

**Features**  
Excellent geometries for a variety of materials

SNEX-M

| Designation    | Coated Carbide |       |       |       |       |       |       |                    |        | Uncoated Carbide |       | (inch) |     |     |       | Applicable Cutter |                  |          |
